At the Washington DC Veterans Affairs Medical Center, our Capitol Excellence team has a commitment to caring for all Veterans. Did you know that about 40% of our team members are Veterans themselves and that many more of us are the sons, daughters, spouses, sisters and brothers of a Veteran? So we are especially honored to be able to provide Veterans the best possible service and the highest quality health care and to treat every Veteran like they are part of the family.

Each week, we will introduce you to one of our Capitol Excellence team members who is a Veteran. Visit us here weekly and on Facebook and Twitter to learn more about the Medical Center's Veterans Serving Veterans.
